CARING FOR AMERICA'S CHILDREN

What is the Future of Pediatrics Conference?

With the overall goal of improving child health, this AAP/ACOP conference will provide current information on clinical and practice management topics, with special offerings for the community pediatrician. Conference highlights will include resources and strategies to enhance community involvement and partnerships, as well as opportunities to present and discuss successful projects and ideas. Through a variety of educational formats, the conference will address basic issues and recent advances in pediatric medicine, and participants will experience informal learning in small group settings, through interaction with faculty, and by networking with peers.

The Conference is Designed to:

- Emphasize the need for a multidisciplinary approach to patient care
- Expand your ability to diagnose and manage complex or difficult cases in areas such as pediatric dermatology, infectious disease, and developmental/behavioral pediatrics.
- Improve the quality and efficiency of pediatric practice by introducing new paradigms and approaches to practice management, including strategies for negotiating with managed care organizations and proper application of coding guidelines
- Explain the elements of the medical home concept and enhance your skills in providing effective systems-based care
- Demonstrate the ease and benefits of integrating community health and family-centered care into practice by providing strategies, resources, and models of success
- Present current information, trends, and developments in caring for children with special health care needs (CSHCN) in a medical home
- Increase access to child health care by teaching pediatric health professionals how to use community resources and strategies to develop sustainable community-based child health initiatives

Who Should Attend?

- Pediatricians in general practice
- Community pediatricians
- Faculty in general and community pediatrics
- Young physicians
- Pediatric residents or medical students
- Other pediatric health care professionals
- Family advocacy and maternal child health leaders

Acknowledgments

The American Academy of Pediatrics (AAP) and the American College of Osteopathic Pediatricians (ACOP) gratefully acknowledge support for the Future of Pediatrics Conference in the form of educational grants from:

DYSON FOUNDATION

Continuing Medical Education Credit

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this educational activity for a maximum of 18.0 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 18.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Fellows of the AAP.

The American College of Osteopathic Pediatricians (ACOP) is accredited by the American Osteopathic Association (AOA) to provide continuing medical education for physicians. The ACOP designates this educational activity for 18.0 AOA Category 1-A credits if osteopathic physicians attest that they attended all 11.0 hours presented by osteopathic faculty of the conference educational sessions.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

The American Academy of Physician Assistants accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

This program is approved for 21.6 NAPNAP contact hours, pharmacology (Rx) contact hours to be determined.

Learning Formats

All-Attendee Lecture

Follows the traditional didactic format with slide presentation.

Moderated Session

Presentation of successful projects and ideas (4 to 6 presentations per session) selected from the call for abstracts, with opportunities for questions and group discussion.

Osteopathic Sessions

Physicians seeking AOA Category 1-A credit will need to attend all osteopathic sessions and exhibits. These sessions will be noted with a  next to the session titles. An attestation form will be available from the ACOP staff at the conference registration desk. Completion of the attestation form is required.

Blended Learning Opportunities

Get a head start on your learning and enhance your educational experience at the Future of Pediatrics Conference by completing an optional, 15-minute, "Hot Topics" online CME module, prior to the conference.

Look for a  noted next to the following selected concurrent sessions:

- Emerging Infections (MRSA)
- Disaster Preparedness

As a registered course attendee, you will be able to register for the above-mentioned "Hot Topics" at a reduced fee of only \$5.00 per module. Plus, earn an additional 0.5 *AMA PRA Category 1 Credits™* per module. Please see details on the conference registration form.

CONFERENCE SCHEDULE

Featured speakers

Paul V. Miles, MD, FAAP

Since 2002, Dr Miles has held the position of Vice President and Director of Quality Improvement and Assessment Programs in Pediatric Practice with the American Board of Pediatrics (ABP) in Chapel Hill, North Carolina. He serves

on quality committees with the AAP and the American Board of Medical Specialties, including the Task Force for Maintenance of Certification. Dr Miles is also a former Chair of the ABP Board of Directors.

After graduating from Stanford University, Dr Miles completed medical school at UCLA and pediatric training at Harbor/UCLA. He was in private pediatric practice for more than 20 years in Twin Falls, Idaho, and served as Director of Clinical Quality Improvement and Co-Director of the Center of Excellence in Rural Health Care at Magic Valley Regional Medical Center. He has held adjunct faculty positions at Case Western University School of Medicine and the University of Washington School of Medicine.

Prior to joining the ABP, Dr Miles served as Chief Quality Officer and Executive Director of the Center for Clinical Improvement and Associate Professor of Pediatrics at Vanderbilt University Medical Center in Nashville, Tennessee, where he was responsible for directing quality improvement efforts for the medical center.

Magda Peck, ScD

Dr Magda Peck, Professor of Pediatrics and Public Health at the University of Nebraska Medical Center, is a recognized national leader in maternal and child health. She earned both masters and doctoral degrees from

the Harvard School of Public Health, specializing in maternal and child health and child health policy.

For nearly two decades, Dr Peck has worked with local, state, national, and international organizations to help communities provide better health care for women and children. Her areas of expertise include public health planning and needs assessment, building community data use capacity, child health research, and leadership development. She was the first recipient of the Maternal, Infant, and Child Health Epidemiology award presented by the U.S. Department of Health and Human Services Centers for Disease Control and Prevention (CDC). Dr Peck currently serves as a member of the CDC Select Panel for Preconception Care, working to shape national recommendations on the care of women prior to pregnancy.

Dr Peck is also the founder, CEO, and Senior Advisor of CityMatCH (www.citymatch.org), the leading national public health organization dedicated to improving the health and well-being of urban women, children, and families by strengthening the public health organizations and leaders in their communities. The CityMatCH Data Use Institute, co-founded by Dr Peck, has trained community leadership teams from over 60 major cities on the effective use of data in decision-making for community health.

Schedule and Faculty

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. For schedule, faculty, and session updates, please visit www.pedialink.org/cmefinder

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

10:00-10:30AM Break/Visit Exhibits/Posters

10:30AM-12:00PM **Concurrent Sessions (Group C)**

C13. Dermatology: Diagnostic Tips and Therapeutic Tricks
Mary Wu Chang, MD

C2. Primary Care—Specialty Collaboration for Chronic Medical Conditions (Repeated as A2)
Christopher J. Stille, MD

C14. Transition to Adulthood: Preparing for the Difference for Children and Youth With Special Healthcare Needs

GENERAL INFORMATION

Comprehensive Syllabus: As part of your registration, you will receive educational materials on site.

Special Needs: We are sensitive to the special needs of conference participants. Please indicate any requested accommodations (eg, dietary restrictions, physical limitations) on your registration form.

Registration: Using your VISA, MasterCard, American Express, or Discover, you may register online at www.pedialink.org/cmefinder, fax your registration to 847/228-5059 or 847/228-5088, or call toll-free, 800/433-9016, option 3. Outside the United States and Canada, please call 847/434-4000, option 3.

Please have your credit card and concurrent session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly.

Cancellations: Cancellations must be received by June 15, 2007, to receive a refund. An administrative charge of \$50 will be deducted.

HOTEL AND TRAVEL INFORMATION

Hilton in the Walt Disney World® Resort

1751 Hotel Plaza Boulevard
Lake Buena Vista, Florida 32830
Reservations: 800/782-4414
Phone: 407/827-4000
Fax: 407/827-3890
www.hilton-wdvw.com

The Hilton, located in the Walt Disney World® Resort, is just steps away from Downtown Disney, home of the Disney Marketplace, Pleasure Island, and Disney's West Side. Complimentary transportation to all Walt Disney World® theme parks is provided. The Hilton features two swimming pools as well as a well-appointed health and fitness club and offers a variety of cuisines in its seven restaurants and lounges. The Walt Disney World® Resort is also home to five championship golf courses.

Special group rates beginning at \$169 per night, plus tax, for single or double occupancy, have been negotiated at the Hilton. These rates represent substantial savings from published rates. The cutoff date for reservations at the group rate is **June 4, 2007**. Call the hotel directly to make your reservations.

Air Transportation: The AAP has negotiated discounted airfares for participants in CME activities. Please call the AAP Travel Office at 888/227-1772. Outside the United States and Canada, please call 847/434-4000 and ask for the AAP Travel Office. Travel arrangements may also be made through ResX, the official Internet booking engine for the AAP Travel Office. ResX can be accessed directly at www.resx.com.

Company: AAP

User Name: AAP USER
(use for first time only)

Password: Leave blank and bypass the first time. Once logged in, you will see the personal information sheet, along with login and password information.

Ground Transportation: Mears Transportation is the official transportation company of the Hilton in the Walt Disney World® Resort. For assistance in making your transportation arrangements, please call Mears directly at 407/839-1570 or visit www.mearstransportation.com to book online. Visit www.pedialink.org/cmefinder to download the discounted coupon.

Disney Theme Park Tickets: Come for the conference and stay for the magic! By attending the Future of Pediatrics Conference you are entitled to discounted Disney theme park tickets. Visit www.disneyconventionear.com/FOP for advance ticket purchases. The discounted tickets will be available for purchase until **June 27, 2007**.

Car Rental Discounts: The AAP Travel Office offers CME course attendees a reduced car rental rate through Hertz. Please ask your AAP travel agent for details or call Hertz directly at 800/654-2240 and mention code: ITCVOIS70011-14511276.

Parking: The hotel offers complimentary self-parking. Valet parking is also available for fee, with in and out privileges.

What kind of experience do you want to have in Orlando? The options are mind-boggling!

Here's a sampling:

- ★ **The big ones:** Walt Disney World® Resort, SeaWorld Orlando, Universal Orlando Resort, Discovery Cove, Cypress Gardens
- ★ **The unique ones:** Gatorland, Ripley's Believe It or Not, Cirque du Soleil — La Nouba, Skull Kingdom
- ★ **The exciting ones:** WonderWorks, Skyventure Orlando, Titanic The Experience
- ★ **The musical ones:** Arabian Nights, Dolly Parton's Dixie Stampede Dinner and Show, Medieval Times Dinner and Tournament, Sleuths Mystery Dinner Shows
- ★ **The wet ones:** Disney's Blizzard Beach Water Park, Disney's Typhoon Lagoon Water Park, Wet 'n Wild—Orlando
- ★ **The natural ones:** Green Meadows Petting Farm, Harry P. Leu Gardens, Central Florida Zoological Park

Visit www.orlandoinfo.com to start planning!
