Amy Sweigart (Resident Member)

Cassidy M. Foley (Student Member)

Education Mission Statement

The ACOP's Continuing Medical Education (CME) is designed to meet the objectives and purposes of the College and the needs of the membership. An objective of the ACOP is "to foster measures and conduct activities to increase the effectiveness of the specialty of pediatrics and pediatric education at all levels." The ACOP Committee on CME has as its main function the implementation of programs that will improve the quality of health care for children. Through surveys of its members during the year and at the CME Meeting, educational needs are identified. The scope of pediatric topics presented in the CME programs is based on these surveys.

Accreditation and Designation

This program anticipates being approved for up to 8 AOA Category IA CME credit pending approval by the AOA CCME. All other CME credit will be awarded by the AOA.

Please contact ACOP at 877-231-ACOP with questions regarding this conference. Registration can be made online at www.acoped.org, by fax at 804-282-0090 or by mail using the form provided. Registration will NOT be taken over the phone. Class participants are required to be in class on time and may not be allowed into class 10 minutes after starting time.

Americans with Disabilities Act

The American College of Osteopathic Pediatricians has fully complied with the legal requirements of the ADA and the rules and regulations thereof. If any participant in this educational activity is in need of special accommodations, please contact AOA headquarters at www.do-online.org.
